

- Bachelor's degree in Conservation and Restoration:
Take one of the following sets:
 - History of Culture and Arts;
 - History;
or
 - Descriptive Geometry;
 - History of Culture and Arts;
or
 - Descriptive Geometry;
 - History;
or
 - Drawing;
 - History of Culture and Arts;
or
 - Drawing;
 - Descriptive Geometry;
or
 - Biology and Geology;
 - Physics and Chemistry.

- Bachelor's degree in Design and Graphic Arts Technology:
Take two of the following tests:
 - Drawing;
 - Descriptive Geometry;
 - History of Culture and Arts;
 - Portuguese.

- Bachelor's degree in Civil Engineering:
Take the following set:
 - Physics and Chemistry;
 - Mathematics.

- Bachelor's degree in Electrical and Computer Engineering:
Take the following set:
 - Physics and Chemistry;
 - Mathematics.

- Bachelor's degree in Computer Engineering:
Take
 - Mathematics;
and one of the following tests:
 - Biology and Geology;
 - Economy;
 - Physics and Chemistry;
 - Descriptive Geometry;
 - Portuguese.

- Bachelor's degree in Photography:
Take one of the following sets:
 - Drawing;
 - History of Culture and Arts;
or
 - Descriptive Geometry;
 - History of Culture and Arts;
or
 - Descriptive Geometry;
 - History;
 - or
 - History;
 - Portuguese;
 - or
 - History of Culture and Arts;
 - Portuguese;
 - or
 - Physics and Chemistry;
 - Mathematics.

- Bachelor's degree in Building and Construction Management:
Take two of the following tests:
 - Economy;
 - Descriptive Geometry;
 - Mathematics;
 - Portuguese.

- Bachelor's degree in Chemical Technology:
Take two of the following tests:
 - Biology and Geology;
 - Physics and Chemistry;

- Mathematics;
 - Portuguese.

- Bachelor's degree in Accounting:
Take two of the following tests:
 - Economy;
 - Portuguese;
 - Mathematics.

- Bachelor's degree in Business Administration:
Take two of the following tests:
 - Economy;
 - Geography;
 - Mathematics.

- Bachelor's degree in Human Resources Management and Organisational Behaviour:
Take two of the following tests:
 - Economy;
 - Portuguese;
 - Mathematics Applied to Social Sciences.

- Bachelor's degree in Tourism and Cultural Heritage Management:
Take two of the following tests:
 - Economy;
 - Portuguese;
 - History.

- Bachelor's degree in Information Technology and Logistics:
Take one of the following sets:
 - Descriptive Geometry;
 - Mathematics;
 - or
 - Economy;
 - Mathematics;
 - or
 - Mathematics;
 - Portuguese.

- Bachelor's degree in Media Studies - Journalism and Corporate Communication:

Take one of the following sets:

- History;
- Portuguese;
- or
- Geography;
- History;
- or
- Philosophy;
- Geography.

- Bachelor's degree in Mechanical Engineering:

Take the following set:

- Physics and Chemistry;
- Mathematics.

- Bachelor's degree in Computing and Multimedia Technology:

Take one of the following sets:

- Descriptive Geometry;
- Mathematics;
- or
- Economy;
- Mathematics;
- or
- Mathematics;
- Portuguese.

- Bachelor's degree in Cinema and Digital Media:

Take one of the following sets:

- History of Culture and Arts;
- Drawing;
- or
- History of Culture and Arts;
- Descriptive Geometry;
- or
- Descriptive Geometry;
- Drawing;
- or
- Drawing;
- Portuguese;
- or
- History of Culture and Arts;
- Portuguese;

or

- Descriptive Geometry;
- Portuguese.
